

Help Jewish People in Need in Israel, Ukraine, and Cleveland!

100% of the money raised helps people in need!

The Cleveland Joseph Project, a non-profit organization, is raising funds through our *Storehouse Initiative* to help Jewish and non-Jewish people in their time of need. With your help, we can provide humanitarian aid to needy individuals and families both directly and through our partnership with Jewish

Family Services and Christian churches. Our desire is help people live better, more dignified lives despite their challenging life circumstances and to bring glory to God! *100% of all money raised* through the *Storehouse Initiative* goes to help people in need in Cleveland, Israel, and Ukraine.

Support for Israel

More than 21% of the people in Israel live below the poverty line, including hundreds of thousands of children, the elderly, Holocaust survivors, and new immigrants. Part of your tax-deductible gift goes to help provide humanitarian aid such as money, clothing, furniture, medical supplies, diapers, food, toys, blankets, household items, and more.

Support for Ukraine

The parent organization of the *Storehouse Initiative* has raised more than \$20,000 in badly needed funds which have been distributed to 23 congregations in the war-torn nation of Ukraine.

Support for People in Need in Cleveland

Since 2010, the Cleveland Joseph Project has partnered with the Kosher Jewish Foodbank and Jewish Family Services to deliver much needed food, toiletries, and money to people in need in northeastern Ohio.

How You Can Help!

Please consider making a tax-deductible donation of *any* amount via cash, a check made payable to the Cleveland Joseph Project, or by credit card. No amount is too small. Every dollar you contribute will make a big difference in someone's life!

The Cleveland Joseph Project is associated with Tikvat Yisrael, a 40-year-old Messianic Jewish synagogue where Jews, non-Jews, interfaith couples, and people who love Israel worship in-person or online. We believe that Yeshua (Jesus) is the Jewish Messiah promised in the Tenakh (Old Testament) and in the New Testament.
